COLLECTION

WHAT'S YOUR FAVOURITE FEELING?

This collection is for those who seek that warm feeling during autumn and winter days.

With the fragrance **Purple Orris and Dark Patchouli**, we want to guide you through a seasonal shift and remind you of the beauty this change in season has to offer. You start to notice how the first autumn leaves flutter through the sky, and how nature's course turns our environment into a colourful playground for all to enjoy. And as you tuck in, all cosy and warm wrapped under a blanket, you experience comfort and joy in creating your sacred rituals.

WHAT DO I SMELL LIKE?

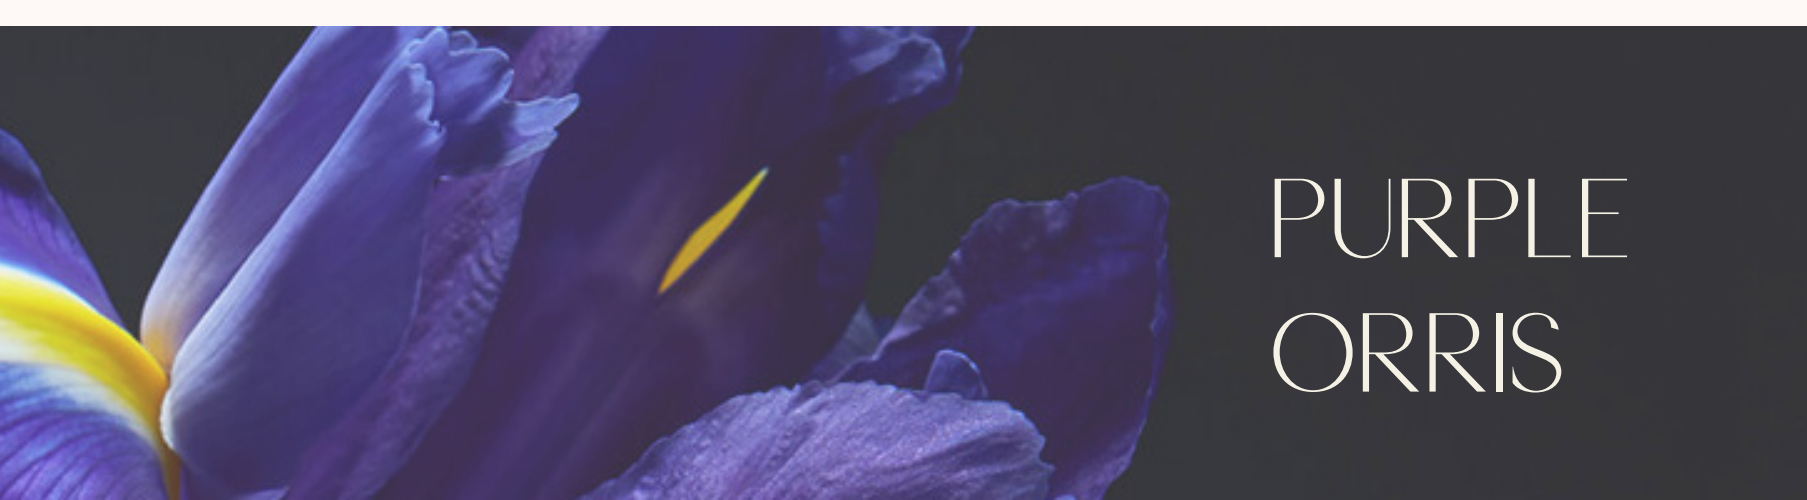

In the embrace of autumn, a captivating scent emerges, marrying the sweetness of Indian jasmine with the lively zest of blood orange, all grounded by the earthy depth of purple orris. The jasmine evokes memories of sun-dappled gardens, while the blood orange adds a burst of citrusy freshness reminiscent of autumn's bounty. Meanwhile, the presence of purple orris infuses the fragrance with a sense of mystery, creating an alluring blend that encapsulates the essence of the season's transition.
